Monday 23<sup>rd</sup> November 2020

Dear Parents/Carers

In class 2 we are currently learning about plants and other living things.

We would like to take the children on a walk though Whitemoor so they can discover and observe the variety of plants growing and consider the difference between deciduous and evergreen trees.

We are looking to go on our observational walk on the morning of **Thursday 26<sup>th</sup> November**. Could children please bring their **wellies** in to school (in a plastic bag) and some suitable waterproof clothing (coats and waterproof trousers if they have them). As it will be their P.E day can children come dressed in their **PE Kits** as normal.

If you have any questions please don't hesitate to speak to a member of Class 2 staff.

Thank you for your ongoing support.

Kind regards

Class 2
