14<sup>th</sup> November 2019

Dear Parents

**Maths Workshop**

We will be holding a Maths workshop on Thursday, 28<sup>th</sup> November 2019 from 6pm-7pm to which everyone is welcome.

At the workshop we will be sharing some of the calculation methods taught in school. Methods change over time and parents often express that they fear they will confuse their child if they use methods that they themselves used at school!

By attending the workshop we hope that you will feel more confident when supporting your child with their maths homework or when discussing their school work in general. There will also be the opportunity for you to ask questions.

All parents are invited to attend this meeting, but we would be grateful if you could return the reply slip below by Monday, 25<sup>th</sup> November, indicating whether you intend on coming, so we have an idea of numbers.

Many thanks  
Angela Hughes
