Dear Parents/Carers

**Re: Spare Clothes**

Can we ask all parents to send in a spare set of clothes in a named bag for whilst their child is in school. If the clothing is then used, please ensure a replacement is sent. Unfortunately, we no longer have any spare clothing to give out in the case of an accident or spillage as many items previously loaned have not been returned.

Should your child not have a change of clothes, unfortunately they won't be able to play in the rain or mud!

Regards

Miss Finney
