Autumn Term 1 2017 – 2018	Autumn Term 1 2018—2019
92.8%	96.2%

What an improvement a year makes ! Well done, Team Sandbrook? We have smashed last year’s attendance percentage and are well above the government’s target of 95%. But there is still work to do if we want to hit our whole-school target of 97%.

## RED, AMBER, GREEN

This term we are not sending out the children’s colour-coded registration certifications. Instead your child will have brought home a post card with their attendance percentage on it. The postcards are colour-coded in the following way:

97% or above—Green

94% - 96.9% - Amber

93.9% or below—Red

(Children will have an attendance passport next half term)

If your child has an attendance percentage of **less than 90%** and we have not discussed the reasons why, then you will receive a letter from me inviting you to an attendance contact meeting.

## The 100 club

Our 100% club for this half term is nearly full-to-bursting. We are so proud of the children that have managed to achieve 100% attendance for this term. But we are also impressed with those children that have only had one or two days absence and have come into school with coughs, colds and headaches. Keep up the good work. Next term I want more in the 100 club! Please turn over for photographs of the children that have 100% attendance!
