Polling Station

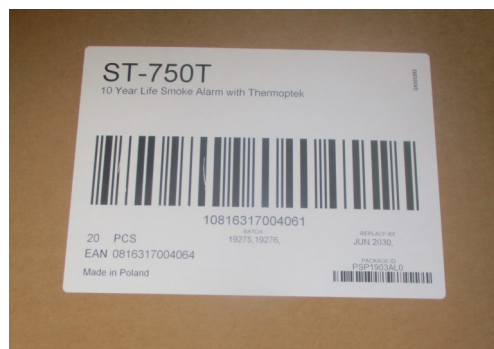

Merseyside Fire Brigade popped in this week to give us some important safety messages. The children asked great questions and learnt lots. We might have some fire-fighters of the future!

Brilliant news! We completed it! Thank you for all of your help collecting the Aldi Olympic stickers for sports in schools. We have reached our 300 sticker target, filled our poster and it has been sent off! In return, we will receive an exclusive sports kit for school and are in with the chance of winning £20,000. Well done!

Year 5/6 have been keeping up to date with current events in the news and learning about parliament and how our government works. We are also finding out about a significant moment in parliament's history - ask us why we celebrate Bonfire Night on the 5th November!

Year 3/4 have been learning about respect. They have learned that what we do with our words, bodies and faces shows value to someone or something. We are practising being respectful around school. They are also practising paying attention to the person who is speaking.

Q: What's in the box?

A: Smoke detectors that will be fitted for free by the fire brigade. Have you got yours?

Car Park

When dropping off and picking up your child from reception, please use the footpath. **DO NOT WALK ACROSS THE CAR PARK.** We have many visitors and deliveries to school and we do not want an accident to occur.

Stay and Play

The stay and play sessions have been well attended but can we please ask that payment is made upfront. We are sure it may be an oversight but we have children who stay and don't pay.
