Autumn Term Week 3

Special Points of Interest

- FS Topic
- After School Clubs
- First Aid
- Recycling

The children in foundation stage have all settled in well. Our new arrivals in foundation stage have been taken under the wings of our more experienced foundation stage children. Shrieks of excitement could be heard coming from the foundation stage base on Friday. The children received an intriguing box that could only be opened by a magic spell that was made up by the children. On opening the box, the children found an array of jungle related activities and a letter from a zoo keeper asking for help. MANGO THE PARROT HAD ESCAPED! What has followed this week has been a joy to watch. foundation stage children have put up 'Missing Mango' posters around the school, traps have been made, fruit and nuts have been left out, children are walking around the school calling out "MANGO!", nests have been built and on a recent shopping trip with her mummy Maggie even insisted they buy nuts for Mango, much to the amusement of Maggie's mummy.
