TEAMWORK

Right team, it is time for the big push! The whole school attendance has dropped a little bit over the last term and it is time to push back! I want to see as many children as possible having 100% attendance for the next half term. If we all

pull in the right direction then we can reach that 97% milestone! So, don't keep your children off unless you really have to. Send them in and we will be the bad guys. **Oh and please no more unauthorised holidays; issuing fixed penalty notices has not been something that I have enjoyed having to do.**

Red, Amber, Green

Today you should also receive your child's coloured attendance slip. Don't forget that the colour represents their attendance for this half term not the entire year. Green=97% and above, Amber=96.9% - 94%, and Red= Below 94%.

Star Performers

I would also like to take this opportunity to say a huge thank you to all of those children and families that have greatly improved their attendance this term. And, I would like to say a huge well done to our Foundation Stage 2 class as they have improved their overall attendance more than any other class.
