

Foundation Stage Outdoor Classroom

The children in FS1 and FS2 classes can access our Outdoor Classroom 80% of the time, *come rain or shine. The Outdoor Classroom offers a range of different learning opportunities where the children can develop their skills under the supervision of a member of staff. Resources and learning opportunities are changed weekly, and will focus on our current topic and the interests of our children.

The following is a list of just some of the learning opportunities provided in our Outdoor Classroom:

- Sand
- Water
- Small World
- Stage (with costumes, puppets and instruments)
- Construction
- Mark making/Writing materials
- Tactile / Messy experiences
- Mud kitchen
- Investigation area
- Bikes and scooters
- Balancing and climbing equipment
- Parachute games
- Tennis
- Football
- Den building
- Reading hut
- Counting resources

*Children will not access the Outdoor Classroom in adverse weather conditions. Parents are required to provide suncream and a sun hat for their child in the summer months.
