HOME LEARNING CHALLENGES

Dear Parents/Carers,

We are excited to be sending home some ideas for home learning challenges, linked to this half terms topic of light and dark. Please attempt to complete one challenge with your child each week. We will talk about the challenges completed at school and it would be great if you could share your child's challenges with us through their Tapestry account. We would also welcome some of your child's completed work to be used for our home learning display.

Thank you for your continued support,

Mrs Warren & Miss Richards
