

Learning at home – Holywell Class Spring 1

This term, our topic is called 'Extreme Earth' where we will be learning about Volcanos and people that make our world truly amazing. As always, we will be presenting certificates for high quality homework. Please hand in each piece when it is finished (aiming for one a fortnight). Three pieces of homework will be due by Monday 11th February and we will be sharing the work as a class during this final week. Please support your child in completing their homework on time and to a high standard. If you need any support or resources please do not hesitate to ask! Each piece of homework is worth 5 dojos. Many thanks. Mrs Yeomans

25+ points = Diamond Certificate
20 points = Gold Certificate
15 points = Silver Certificate
10 points = Bronze Certificate
