

Year 4: Meerkats

Spring Newsletter

February 2021

Welcome back

It has been brilliant to have so many pupils logging on and completing their Google Classroom learning. The class have shown a superb attitude to learning. With the announcement of schools opening back up for all pupils, we are really excited for the second half of our spring term.

'Wish You Were Here'

First, we would like to say a big thank you for all of the hard work which went into our specialist week. We were blown away by the creativity and amount of work produced by the pupils. It was wonderful to see so much geography, history and art based around where we live. The BHP Bake Off was also a great success. Your creations looked extremely delicious!

Blue Abyss

We will be continuing our study of the oceans during the second half of this term. We have planned a variety of lessons, which focus on important issues and topics currently facing our oceans and marine life. Art will also continue to feature heavily.

The Curriculum

In Maths this half term, we will be focusing on time, decimals, and money. We'll also have the opportunity to go over topics pupils found tricky during the first half of the term.

Our English lessons will involve a persuasive writing unit and a detailed plays and scripts unit. Both will focus on reading, writing using key features and developing creativity.

Science will include the final 'Sound' lessons and the introduction of our 'Rock' unit. We will also continue to explore music, Italian, Learning and Life skills, as well as weekly spellings and handwriting.

When all pupils are back in school, we will have our Martin White PE lessons and resume our normal curriculum timetable.

I'm really looking forward to seeing all pupils back in the classroom and hope we can end this term in a positive way – with lots of treats!

Thank you for your continued support. I have really appreciated the amount of time and effort that has gone into ensuring your children can complete Google Classroom tasks. It has been successful because of your involvement and care.

Kind Regards,

Miss Vaughan and Mrs. Kidd
