Past	Present
	
	
	
	

### Key questions

1. What is your favourite toy in the present?
2. What is it made out of?
3. What is an older toy made out of?
4. Who might have played with it?
5. How has it changed over time?
6. Why do you think toys have changed over time?

### Key knowledge

- Toys have changed over time.
- Our toys are made of different things than they used to be.
- We can research older toys to find out information.
- We can compare toys from the past and toys from the present.
- Our parents and grandparents played
