Thank you to Fr Michael and the parish for making our year 1 children so welcome at Mass this morning. Thank you also to everyone who joined us for our Harvest Assemblies this week. This is the first time we have split such a large assembly over two days and it meant that everyone who wanted to join us was able to. The children were fantastic as always and we were all delighted with the lovely thanks from all our families. None of the wonderful events or learning that takes place would happen without our staff and families working so hard and closely together.

Our whole school attendance of 95.5% this week. Year 5 have taken the trophy with a very good 98%!

Weekly Attendance	
Reception	93.4%
Year 1	94%
Year 2	97.7%
Year 3	97.9%
Year 4	94.4%
Year 5	98% 
Year 6	92.6%

Fruitastic Tuck Shop Board Meeting - The tuck shop managers took part in the first ever Fruitastic Board Meeting in the school hall today. They could wear their suits/business style clothes if they chose to. Staff badges, agendas, files and notepaper with the "Fruitastic" logo were distributed amongst the

managers. Lots of decisions were made, and action plans put in place - look out for a letter from our Marketing Team very soon with further information very soon.

The deadline for our year 3 & 4 children to book a place on our Boggle Hole trip is next Monday 16th October. Lots of our children have already booked up and we will begin making transport arrangements once we have our final numbers confirmed. We will be sending information home about our year 5 & 6 trip to Hawkhurst in September 2018 early next half term and we will also be finalising information about our year 5 & 6 coast to coast cycle ride which we hope to do in late May or early September 2018.

Well done to everyone who took part in our first family cycle of the school year on Saturday. We made our way to The Cycle Hub in Newcastle and everyone completed around 20 miles on the cycle. Our big cycle events are a fantastic way to spend a few weekend hours and it was fantastic again to see children from year 1 to year 6 taking part with parents, friends and relatives. We will be planning another cycle before we break up for Christmas; we'll send details home with everyone early next half term.

We will be celebrating our next Diversity Week all next week at St. Cuthbert's. we have lots and lots of very exciting events and activities planned for our children and we'd love to have parents and friends get involved at different points during the week as well. We are very excited about our special guest who will be opening our week on Monday morning and he'll also be inspiring our children when he meets them and tells them all about his amazing achievements. Keep an eye on Twitter to find out who it is, all we can say for now is that he is an amazing man who has represented Great Britain for over twenty years and has a spectacular collection of gold, silver and bronze medals!
