Mass times at St. Cuthbert's or St. Joseph's are: Saturday Vigil St Cuthbert's 5.30p.m. Sunday Mass at St Joseph's 11a.m. Fr. Hughes can be contacted on 257 5801

We have quite a few end of year celebrations and events coming up and these include two end of year Masses, both at St. Cuthbert's and both outside if the weather is kind to us. Our friends from St. Joseph's will be joining us for Mass at 10:30am on Thursday 12th July and we will be celebrating Mass as a whole school and parish on Thursday 19th July at 1:30pm.

Everyone at St. Cuthbert's enjoyed a fantastic focused outdoor learning week last week. Every class has a weekly outdoor learning session every week, and the past five days gave children the opportunity to bring aspects of their learning together, and to share some wonderful experiences and ideas with each other. Children worked across school and took their maths, English, science and art skills outside using them to plan and build dens, create beautiful art work, hunt for and classify mini beasts and follow recipes for campfire cooking- the pizzas were a real hit! It was also fantastic to see so many children take their learning home and show off their skills and ideas to families.

We have had to change the date of our summer fayre due to a lot of different factors, including clashing with St. Cuthbert's parish summer fayre. **Our fayre will now take place on Sunday 1st July from 1- 4pm.** We will have all the usual exciting things happening with a few mystery surprises added for good measure! We will be sending more details about stalls and attractions closer to the time but it will be a fantastic afternoon out for the whole family.

Thank you to everyone who joined us on our Father's Day family cycle today. We had another fantastic turnout for the cycle to the Cycle Hub in Newcastle and back again. The children made light work of the 17 miles cycle and we have a lot of very talented cyclists at St. Cuthbert's!

Tickets for our Key Stage 2 Musical Extravaganza have gone on sale on ParentMail and every child has been allocated two tickets which you can now purchase. If you have a child in Key Stage 2 who is taking part and they have a younger brother or sister at St. Cuthbert's, we will give the younger brother or sister a free ticket to the show. One of the highlights of the night will be a song performed by children, families and staff and it will be a really special moment. If you would like to be involved please let Mrs Stephens or Mr Corbishley know as soon as you can as we need to plan some time working through it together. The children have begun working on the song they will be singing with parents and it is going to sound amazing! If you would like to be part of their performance please speak to Mrs Stephens, Mr Corbishley or let Mrs Wigham or Miss Taylor know in the school office.

Year 2 had a fantastic time at the North Tyneside Reading Festival this week where they listened to stories in Punjabi and also listened to the famous story teller Chris Bostock. At St. Cuthbert's we believe reading is very, very important and helps our children make the most of the fantastic curriculum we have at school and it also gives them the skills to read for pleasure and enjoyment.

Thank you to everyone who came along to school this week for careers week. The children and guests had a brilliant time finding out all about mechanical engineering, bio medicine, waste disposal and a whole host of other exciting careers. The children have been talking about their career choices and our guests have left a very strong impression on them as they want to find out more about the different jobs that will be available to them when they are older.

The School Crossing Patrol team have informed us that there will be no lollipop person on the Albion Road School Crossing from Monday until further notice.

Thank you to everyone who came along to our year 5 & 6 Hawkhirst residential trip meeting this week. The trip will take place from Tuesday 25th - Friday 28th September and costs £210 per child. A deposit of £30 needs to be paid by the end of June to secure a place and the final balance needs to be paid up by October half term 2018. This date is after the trip and gives everyone the opportunity to make regular payments over a period of time. If you have any questions at all about the trip please have a chat with Mr Dillon or Mrs Cottiss.

Below are a number of diary dates for you and we know we will be adding many more as the term progresses. We always give you as much notice as we possibly can about what we are doing at school, and about trips or visitors. Keep an eye on our school website calendar and your ParentMail to find out about what is happening at St. Cuthbert's.
