St Catherine's School

## Merry Christmas

---

This morning we said a very emotional farewell to Mrs. Deary and Mrs. Stewart. They have given many years of service to the school and our community and they will both be missed.

Our merit assembly was a very busy affair with merit awards, attendance certificates, lunchtime supervisor awards, wow wall certificates and house points for the term. Congratulations to all our boys and girls for their continued dedication to and enthusiasm for their learning throughout the term.

The staff team would like to thank you for the many gifts we have received, your generosity is greatly appreciated by us all.

**School starts for the children at 8:30am  
on Wednesday 3rd January**

## End of Term Events

---

Year 5 had a fabulous time singing carols on Monday. Thank you to those parents who helped with transportation.

Thank you also to Mrs. Dare & Mrs. Trent for organizing.

Thank you to our PA who arranged for a special visitor to come into school on Thursday afternoon for our party. The children looked fab in their Christmas jumpers. Thank you

## Key Stage Two Advent Carol Service

---

It was lovely to see so many of you at our first Key Stage 2 Advent Carol Service at St Catherine's Church on Wednesday 13th December. Congratulations to all those who read, lead prayers and sang so beautifully. As usual the boys and girls were very respectful in church and were a credit to the school and their parents. We raised £ 74.52 for Jeevan Asha

## After School Clubs

---

*Last week you should have received a letter from Energy Kidz who we are hoping to work with from the summer term to provide breakfast and after school care until 6pm. They wish to gauge parental interest for the club, so please do log on to the survey and share your views. The letter is attached to this newsletter in case you have mislaid it! Thank you.*

*On the back page of the newsletter are the confirmed clubs for the spring term. We are working with Premier Sports to provide additional clubs, so watch this space!*
