Classes - what's happening

Outstanding workers

Kynance

Kitty for her positive attitude and friendly smile in the mornings.

Gwithian

Krystal for fitting in so wonderfully at TLA. We have loved welcoming you to into Gwithian.

Sennen

Catelynn for giving super ideas for our class assembly.

Fistral

Charlie, for always trying and never giving up.

Pentire

Year 4 - Kende for his fantastic attitude to making his mummified cat.

Year 5- Jack for fantastic effort in his topic work this term.

Marazion

Jaimie for her focus and effort during maths lessons in particular. She has also been challenging herself - super. Well done!

Kynance Class

This week we have enjoyed an Easter theme. We have listened to, retold the Easter story, and made protective coats to save Humpty Dumpty when he falls of the wall. The children really enjoyed this experiment! Over the Easter break, please continue to read and share books. As a class we are working on blending, any support at home with this would be great. For example, play eye spy by sounding out things, e.g. ch-i-ck, e-gg etc.

Next term we will be looking at spring and growing, beginning with a familiar story- Jack and the beanstalk. We plan to grow things, and begin some gardening. If you would like to help, please let us know.

As we approach the end of term, I would like to thank you and your children for your support. I hope you all have a lovely Easter.

Gwithian Class

Another super half term. It has been great to see the children's hard work during these previous weeks. Despite my absence, the children have progressed tremendously and have had super support from TLA staff and parents. A special thank you to Mrs Mitchell for all of her hard work over these weeks. After Easter, our topic will be 'Into the Woods'. We have some exciting activities lined up already and we are looking forward to another wonderful half term. During our first week back, we will be continuing to measure in Maths, In English, we will be learning 'Hansel and Gretel' and exploring different versions of the story. In Topic, we will be looking at using Geographical language and in Science; we are going to explore British Wildlife.

Sennen Class

Sennen Class have had a lovely half term learning about inventors. Next half term our Topic will be Food. We will be learning a new class story 'The World Came to My Place Today' with a focus on different types of punctuation including using apostrophes to show possession.

Fistral Class

After the Easter holiday, Fistral will be continuing to learn about plants and their growth. We will have a new topic that is both an interesting and different as we will be studying clothing. We will investigate clothing through the ages, different materials clothing is made of and how clothes are manufactured in the first place. There will also be an element of recycling included. We are also having a whole class focus on reading so we can increase our vocabulary knowledge and transfer this into our writing.

Pentire Class

Next term in Pentire, we will be covering a topic theme of invaders and settlers. We will be learning all about how the settlers to our nation have shaped our culture and national identity. In literacy, we will be learning all about famous warriors and how they were involved in key events in history. Through this, we will be writing soliloquies, letters, recounts and information texts. In Science, we will be finding out all about teeth and the digestive system and how we can keep our bodies healthy. We hope you all have a lovely Easter Holidays!

Marazion Class

Year 6, have achieved some super progress in Spring Term and have particularly enjoyed studying Shakespeare's Macbeth! We had fun investigating during Science Week, taking part in World Book Day activities and helping to raise money for Sport Relief.

Termly 100% attendance

Well done to the children who received their attendance awards for this term.

Surfing lessons

We start the first session Tuesday 17 April.

Craft session

The children made some wonderful Easter creations today.

Thank you PTA

The PTA have provided each child with an Easter egg and donated the prizes for our craft session held today. They also provided the refreshments and hot cross buns after the event.

New lunch menu

All children have received a copy of the new menu which starts after Easter.

NBCA Easter event

31st March 12-2.30pm in the community centre. See their face book page for further information.

££ Outstanding lunch debts ££

Letters have been issued for the lunch debts still outstanding. It would be appreciated if these can be paid after the Easter Break. Thank you for those who have settled their child's account.

Exceptional absence from school

Please give as much detail on the form so Ms McNamara-Executive Principal has enough information before making a decision on authorising. All information is confidential.

Happy Easter

From the team here at TLA we wish you all a cracking Easter.

Week commencing: 16 April-Week 1 of the new menu will be served
