	Christianity	Harvest	Christmas	Lent	Holy Week and Easter	Pentecost	Sunday

This is not the order that the ILPs are ordered - please look at individual class pages on Rainbow plans for more information.

Links and comparisons with Christianity are made throughout each RE ILP to ensure 60% Christianity coverage as dictated by the Cornwall Agreed Syllabus. The Cornwall Agreed Syllabus is also used to gain information about the skills and processes in RE and the attainment targets. During their religious education, where appropriate, pupils are given the opportunity to develop and apply knowledge and understanding of the characteristics of Cornwall and its role nationally and internationally. These opportunities include reference to the cultural, economic, environmental and linguistic life of Cornwall as appropriate to the study being undertaken.

Termly visits to our church for whole school and community services take place each term to celebrate Harvest, Christmas and Easter.

We incorporate the Values for Life themes into our whole school assemblies.
