

# Want a surprise gift from your child this Christmas?

The PTFA will be running a 'Christmas gift shop' again this year where your children will be able to choose their own present for Mum, Dad, Grandma, Grandad, Auntie, Uncle – in fact any **adult** - to put under the Christmas tree themselves!

There will be a selection of special presents for your child to choose from - aimed at both men and women – which will then be wrapped and labelled ready to go home in their book bags during the last week of term. All for **only £2.50**.

All you need to do is complete the order form below and hand it into the school office along with your money by **Friday 25 October 2019**. This will give the PTFA plenty of time to go shopping for some good quality, great value gifts!

The PTFA 'Christmas Gift shop' will open in school hours during the latter part of the last week of term and children will be helped by the PTFA team – in small groups – to shop for, wrap up and then personally label their presents. We'll make sure it's a fun, festive shopping experience for your child.

We do hope you'll support this special school fundraiser. The children really loved it last year! Thank you in advance.
