

TASTY MEALS FOR YOUR CHILD TO ENJOY

We are the chosen catering company for your school and we are passionate about serving fresh, high quality and locally sourced ingredients in our meals. We have a team of experienced and creative chefs that keep our menus exciting and tasty for your child to enjoy.

Many of the team at Aspens have school children themselves and as parents, we understand how important making the lunch decision is. You want to make sure that they eat at lunchtime, what they have is nutritionally balanced and that it fuels the rest of their learning day. If your child is not having a school meal, give ours a try.

GREAT TASTING FOOD THAT YOUR CHILDREN WILL LOVE

We know that our menus are good and lots of children enjoy one of our meals every day. But take a look at the other reasons why our meals are great:

- We are proud to support British farmers and producers and we take the sourcing of our ingredients seriously.
- Buying local British produce enables us to support our farmers and invest in our local communities.
- We have awards from the British Hen Welfare Trust and Compassion in World Farming for our use of free range eggs.
- We make sure we have the freshest and highest quality produce on our menu.
- We buy Red Tractor, farm assured meat and poultry.
- Our menus don't contain any undesirable additives, hydrogenated fats or GM ingredients.

Just as you'd expect, you can trust us to provide meals which meet the government's school food standards.

Our menus are full of protein, omega, rich fish, whole grain rice and pasta, and vitamin-packed fresh fruits and vegetables to ensure your child has the fuel to perform academically throughout the School day.

FREE SCHOOL MEALS

All children that are in reception, year 1 and year 2 are entitled to receive **FREE SCHOOL MEALS!** We think it's a fantastic idea so please make sure you get on board and support this initiative.

Not only will you be saving money, but you will also be giving your child a nutritionally balanced meal.
