

Sport Premium Overview 2019-20

Mawgan-in-Pydar's Vision Statement:

Our vision for PE at Mawgan-in-Pydar is to provide:

High quality teaching and learning across the school in all sports and physical activities.

Children with a good understanding of health (including mental health and wellbeing), hygiene and fitness and a desire to continually improve.

A range of extra-curricular activities and sports clubs which will give all pupils the opportunity to engage with sport.

Sports competition for all levels and abilities in a safe and secure environment.

Mawgan-in-Pydar School

At Mawgan-in-Pydar C.P. school we believe PE and sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We are committed to using this resource to develop high quality PE lessons alongside greater opportunities for sporting competitions and clubs for all our young people.

We are very proud of our children's excellent records in competition within the ASPIRE Academy Trust, the Newquay Sports Partnership and have enjoyed considerable success within the Cornwall School Games.

Swimming and Water Safety:

At Mawgan-in-Pydar School we are committed to providing a thorough approach to ensuring that all children are proficient and confident swimmers over a distance of at least 25m. If children have not met this standard by the end of year 4, they are required to continue their swimming provision until this standard is met. In addition to this, and due to the coastal nature of the locality, we also utilise the RNLI's 'Hit the Surf' Beach/ Water safety sessions on a regular basis. 92.0% (23/25 pupils) of our year 6 cohort are currently meeting the National Curriculum requirement for swimming and water safety. 100% of our current year six can swim competently, confidently and proficiently over a distance of 25m. 92.0% of our current year 6 pupils can use a range of strokes effectively. 92.0% can perform safe self-rescue in different water-based situations.

Sports Premium Grant and IMPACT:

It is the government's intention to improve the quality of sports provision for primary age pupils through the 'PE and Sports funding premium' grant. This funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport and provides opportunities for schools to expand upon their current provision for pupils. The funding was initially for two years and then subsequently extended to 2020.

This funding is ring fenced and is being paid directly to schools so that they can enhance and increase the opportunities available for children to access a wider range of activities as well as specialist sports expertise.

The funding for each school will be a **lump sum of £16,000 plus an additional £10 per pupil**. The allocation for our school for the academic year **2019-2020** is **£17,160**. For a current breakdown of expenditure please see appendix 1 at the end of this document.

The main investment this year has been the continued employment of a TA with a BSC in Sports coaching. The impact of this is to further enhance the quality of provision during curriculum time by providing advice and guidance to further raise the quality of PE taught across the school. By working alongside the sports specialist class teachers develop their understanding of fundamental PE skills, differentiation within PE and their confidence at adapting, innovating and providing a broad PE curriculum. Our sports coach also engages children in sports activities during lunchtimes.

Currently our pupils have the opportunity to participate in a range of sporting activities, clubs and events. This funding is in addition to the curriculum provision that every child receives as they progress through the school.

The impact of the grant on PE and sport participation so far has been clearly shown so far with at least 90% of KS2 children having the opportunity to participate in sporting competition. This percentage has been maintained as a result of the continued provision of transport to sporting events. The children have all engaged with the broader range of extra curricular clubs and have enjoyed the opportunity to try something new.

Our aim is to maintain the depth and diversity in sporting provision as well as allow all the children an opportunity to be physically active and learn in the outdoors through Forest Schools. Through this engagement, children will have the opportunity to develop their resilience, teamwork, determination and perseverance skills, all of which can be equally applied to their learning across the curriculum and life skills.

The funding will also enable the continuation of participation in sporting events across the ASPIRE Academy Trust and the Newquay Sports Partnership, allowing not only the more talented pupils to achieve and perform at a higher competitive level, but also giving ALL pupils the experience of competition in one form or another.

Sustainability:

Our aim for the allocation of the Sports Premium Funding is to provide additional and sustainable improvements to the quality of PE and sport we offer. We will achieve this through broadening pupils' opportunities, engaging in staff curriculum professional development and providing high quality equipment, and thus we aim to improve the experience of young people in sport.

The whole school community agrees that PE and School Sport can lead to better learners. By ensuring a broad PE curriculum we will be more likely to achieve a greater number of successful learners. All the teaching staff at Mawgan-in-Pydar recognise the importance of PE and how it is integral to our school ethos.

For the year **2019-2020** our focus supports the vision and mission as set out by Active Cornwall <http://www.activecornwall.org/pe-and-school-sport> (Cornwall Sports Partnership). Vision: Everyone in Cornwall has the opportunity to live an active, healthy and happy life. Mission: To bring organisations, people and places together to improve the conditions that unlock the power of physical activity and sport. This is to be achieved by: decreasing levels of physical inactivity, increase participation levels in physical activity and sport and increase the contribution physical activity and sport makes in

creating strong, sustainable and prosperous communities. We are also encompassing the seven key areas and encompasses the 'Time2Move' Cornwall Framework for PE and School Sport.

Diverse & Inclusive:

Provide a fully inclusive offer that recognises the diverse needs of specific groups and identifies tailored opportunities for all young people

Competitions

Provide a well organised, appropriate and enjoyable programme of competitions and festivals for students of all abilities

Curriculum Delivery

Engage young people in a high quality, broad and balanced curriculum

Physical Activity, Health & Wellbeing

All young people are aware of health-related issues and are supported to make informed choices to engage in an active and healthy lifestyle.

Leadership, Coaching & Volunteering

Provide pathways to introduce and develop leadership skills

Community Collaboration

Ensure opportunities for young people of all abilities to extend their school activity transitioning into sustained community-based sport

Workforce - increased confidence, knowledge and skills of all staff in teaching PE and Sport

Appendix 1

Area of Provision	Cost	Impact
Employment of Teaching assistant with sports coaching expertise	£7901	Opportunities to deliver additional sports activities during lunch time supervision. To enhance the teaching of PE during curriculum time. By working alongside teaching staff this builds capacity and capability within the school to ensure that improvements now will benefit pupils joining the school in future years.
Newquay Sports Partnership Funding (NSP)	£2300	To sustain current participation with the Newquay Sports Partnership in competitive sporting events. Raising

		<p>participation levels and engaging as many pupils from a wide age range in sport.</p> <p>Provision of courses to upskill staff in delivery of the PE curriculum, creating a sustainable PE provision for the future.</p>
Aspire Academy Trust	£1000	<p>Provision of Aspire games and tournaments, allowing children further access to competitive sports. Youth Sports Trust membership. 2 CPD sessions available to staff: gymnastics and teaching English through PE.</p>
Transportation to competition	£1600	<p>Due to a full and thorough competitive sports programme, transport will be provided to competitions and cover for the staff to accompany the teams. This will lead to:</p> <ul style="list-style-type: none"> • increased participation in competitive sport • a broader experience of a range of sports and activities offered to all pupils • the profile of PE and sport is raised across the school during celebration assemblies.
Provision of additional opportunities through a wide and varied extra curricular sporting clubs.	£1200	<p>To provide a range of sporting activities for pupils, benefitting children by providing a range of activity in an inclusive manner: Zumba club for KS1 and KS2, provided each term</p>
Wider Opportunities - surfing/water-based activities	£1000	<p>Continuation of a surfing/SUP provision for Year 6. Making the most of our location and providing an opportunity to promote</p>

		water safety for our young people as well as promoting sport and a healthy, active lifestyle.
Subsidised whole school Forest Schools Opportunity	£1500	Increased opportunity to engage both the physically active and the physically inactive members of the school in an additional activity that allows children to be active and promote mental health and wellbeing for all. Staff working alongside the leaders will build capability and confidence to deliver some activities that allow children both now and, in the future, to be both physically active and particularly targeting those individuals with low emotional resilience.
Replenishment of equipment	£659	To ensure not only high-quality PE lessons are delivered but also to add to the sport activities that our school offers.
TOTAL SPEND	£17160
