

Blood Heart

In Marazion class this half term our topic is 'Blood Heart'. In Literacy we are focussing on texts linked to the heart. During Science we will be learning about 'Animals and Humans'. Below is a selection of homework ideas. We only expect one piece of topic homework to be completed each week. Please record each homework choice in their homework book.

<p style="text-align: center;">IT</p> <p>Research giving blood. What can you find out? Record findings to share with the class.</p>	<p style="text-align: center;">Literacy</p> <p>Write a narrative based on our class novel 'Pig Heart Boy'.</p>	<p style="text-align: center;">Topic</p> <p>Measure your family's resting heart rates before putting them through their paces. Ask them to hop, skip, jump and run, measuring their heart rates after each activity. Fill in a table or spreadsheet with everyone's results before looking for patterns in the data. Who has the slowest heart rate? Which exercise caused the biggest increase in heart rate?</p>	<p style="text-align: center;">Literacy/Topic</p> <p>Create an information text on the circulatory system.</p> <p>Include the features of the non-fiction text.</p>
<p style="text-align: center;">Literacy</p> <p>Find out about the size and structure of a human heart and compare it to the size, structure and number of hearts in other animals - worms have five! Report your findings as an information text.</p>	<p style="text-align: center;">Science</p> <p>Create a PowerPoint presentation on the function of the heart.</p> <p>What can you find out?</p>	<p style="text-align: center;">DT/ART</p> <p>Look out for heart shapes around you - in decorative ironwork, embellishments in clothing and jewellery, and even in nature itself.</p> <p>Photograph your findings and make a colourful montage.</p>	<p style="text-align: center;">DT</p> <p>Create a model of the heart.</p>
<p style="text-align: center;">Independent Learner</p> <p>Create your own homework idea linked to our learning this term.</p>	<p style="text-align: center;">Science</p> <p>Create a cross word puzzle linked to animals and humans.</p>	<p>IT - Be kind to your heart! Research information and plan ideas for a weekly menu of food that your heart would love. Spinach, porridge, blueberries, salmon and soy protein are all heart-healthy.</p>	<p>Literacy - Think about what is meant by 'heart-stopping'. Write about a 'heart-stopping' moment in your life. Describe it to another person and then capture the moment in words as accurately as you can.</p>
