## Starting Reception September 2021

Dear Parents and Carers,

In September we look forward to welcoming you and your child(ren) to Treverbyn Academy. The transition from nursery or pre-school settings to Reception is an exciting adventure in your child's education journey and one we plan to make as seamless as possible.

Over the next few weeks, you will receive regular communication from the school, the teachers and staff who work with the Reception Class. A variety of videos, activities and ebooks will be made available for you to share with your child. This information will also be shared on the [school website](#).

- 1) **Ready Poster (attached)** - Please support your child by practising the suggestions regularly with all members of your immediate family. We know that all children are unique. By achieving many of the described READY skills your child will be best placed to succeed in the Early Years curriculum.
- 2) **Welcome Booklet** - The welcome booklet ebook will be the first 'go to' document which will provide a comprehensive overview of 'life in Reception'. This will be sent by email at the end of June and a copy will be on the school website.
- 3) **Staff Welcome and Story Videos** – There will be a number of welcome and story videos from Reception class staff members, the first of which will be on our website at the end of June. A link will be sent via email every time there is a new video available.
- 4) **Starting School Dates and Times** – At the beginning of July, we will send a letter via email detailing your child(ren)'s starting dates and times. They will be in school part time for the first two weeks of term to allow them time to settle.

We would also like to arrange a phone call to talk to you directly about your child and their needs. Unfortunately, we are unable to do this face to face at present. Please expect a phone call from Mrs. Kearton, who will be your child's Reception teacher.
