

21st June 2019

Treverbyn Academy Newsletter.

Menabilly Class

This week we have been learning all about symmetry. We found out that a butterfly's wings are symmetrical, so have been busy making our own symmetrical butterflies and patterns around the classroom. We have continued to watch our own caterpillars grow and have been amazed how quickly they have grown already and cannot wait to see what happens next!

Porthpean Class

Year 1 have enjoyed learning about money this week and have started to write their own non-fiction text on a 'wild thing.'

Next week, we will be completing our end of term assessments. The children are looking forward to sports day on Thursday (27th June). We will also start to research Newquay Zoo and the animals we may find there before our visit on Tuesday 2nd July

Pendower Class

We have had a busy week this week learning our new text all about How to Trap A Giant. We have enjoyed doing some hot seating and putting ourselves in the giants shoes. Next week we will have a go at writing a different version of instructions. We will also continue to collect data to create block graphs and tally charts.

Please remember we will be having a bake sale on Tuesday to raise some money for our Newquay Zoo trip. Please can the children bring in some cakes to sell. We are also hoping for some good weather for our sports day on Thursday.

Charlestown Class

What an exciting week in Year 3! We were so fortunate to join other Aspire Academy Year 3 classes on a trip to The Minack Theatre to watch Ali Baba and the Forty Thieves. The children were remarkably behaved and a real pleasure to take. The play was fantastic; made even better with our superb front row seats!

Children have written descriptive recounts of their day out as well as play scripts for their favourite scene. In Maths we are continuing to learn to tell the time to the nearest minute.

Whipsiderry Class

We've had another fantastic week in year 4. We've been busy learning about angles in maths and we've started to

learn a new story in English. Next week, we will continue to learn about different angles and in English we will be studying the grammatical and language features of our story. In topic we will continue to learn about Ancient Egyptian gods and why they were so important. A reminder that Thursday 27th is sports day (fingers crossed for a bit of sun!!) Thank you for your ongoing support.

Porthcurnow Class

We have had a great week, we have written our non-chronological reports in our best handwriting ready to compile into our own Fantastic Beasts and where to Find them book. We have also started making a Top Trump set of our Fantastic Beasts. Next week we are going to have a couple of days revision and then we will be doing our end of term assessments.

In maths we have been looking at 2D and 3D shapes, and how to recognise 3D shapes from 2D nets. Again we will be revising at the beginning of the week and completing our end of term assessments at the end of the week.

Our Topic next week will all be focused on the London trip, looking at maps, studying where we are going, and what we will be doing the children will be bringing home a detailed itinerary for your use too. We will also be inventing and teaching each other games we can play on the coach and when we are away.

Pentewan Class

Year 6 had a fantastic residential with PGL, there are lots of pictures on our Twitter page!

The Cove

This week we have had 5 butterflies hatch. The focus this week was relationship building and playing together. The children have been organising games and creative activities

Ways to make learning spellings more fun:

Jump up and down on a trampoline or skip whilst saying each letter of your word you are spelling.

Damselflies

Benjamin bear will be going home with Mary we hope Benjamin is well-behaved for you Mary!

This week's children on the pot of gold are: Phoebe, Amelia & Keris, well done to you all!

Dragonflies

This weeks "star of the week" is Esmail, well done Esmail!

Rosie bear will be going home with Jonas we hope Rosie behaves well for you Jonas!

Next week our theme will be Safety awareness week and People who help us. We are hoping for a few visitors next week, Police, Fire fighters and we are hoping for a visit from the new Reception Teacher. (Mrs. Kearnton).

Funding

Please check on www.childcarechoices.gov.uk to see whether you are eligible for 2 year, 3 year or 30 hours funding and tax-free childcare vouchers.

September

If you would like to change any sessions or the hours booked for September please let us know as soon as possible.

All children should come to nursery with named belongings, e.g. coat, closed toe shoes, socks, wellies, packed lunch box, drinks bottle, sun hat etc.

Please can I remind you to bring in nappies, wet wipes and it is always good to have plenty of changes of clothes.

Please can you provide sun cream for your child for nursery also if you could apply sun cream before nursery we would appreciate it.

Elaine Taylor

Nursery manager
