Class News

Menabilly Class

What a fantastic year it has been! The children have all made great progress and have been a pleasure to have in the class. I wish you a super summer holidays, have fun and stay safe.

Porthpean Class

Wow, where has this year gone? It has been an amazing year with Year 1. They have all made excellent progress academically as well as blossomed into mature children and it has been a pleasure to teach them this year. The children are most definitely prepared and ready for Year 2. The final week of this term will be packed full of fun and final preparations for Year 2.

Thank you all for your support throughout the year.

Mrs Robins

Pendower Class

It's nearly summer holidays time and we have been making the most of the sunshine in Year 2! The children have taken home their bean plants, feel free to plant them and enjoy! Next week will be our last week so we will continue to send some of the work home with the children. They have worked so hard this year and we are all proud of the achievements they have made. Thanks for your continued support. Have a safe, enjoyable break.

Charlestown Class

We can't believe it is our last week in Year 3! We have worked incredibly hard all year and there will be lots of work coming home so please could you send in a named carrier bag. Some of the boys from our class will be going across to St Stephen to work with the Year 3 boys there showing them our amazing Doctor Dolittle scripts and animations we have created.

Whipsiderry Class

Next week in year 4 we will be celebrating an amazing year. On Monday we will be having a Star Wars celebration day including art, drama and light saber dancing.

On Tuesday we will be rounding off our mini topic of The Tour De France. This will see us having our own bike races including a mountain stage, sprint and distance. Then at the end of the week we will be saying goodbye and breaking up for the Summer.

Porthcurnow Class

Year 5 are looking forward to a fun filled final week of term. In the mornings we will be continuing with our science topic of the planets in our solar system. On Monday the children have chosen to have a games afternoon and can bring in games from home. On Tuesday we are going to have the day filled with outside games, including a picnic and a water fight so all children need to bring in one item of picnic food, a water gun or balloons if they have them, a towel and a complete change of clothes. On Wednesday they have opted to have a board game afternoon so once again can bring in games from home, we are also going to be baking cookies. On Thursday we will be having a couple of leavers assemblies for year 6 so between assemblies they have chosen to watch a film, they can bring in DVDs from home as long as they are U rated and eating the cookies from Wednesday.

Pentewan Class

This week, year 6 have performed their production of Grease! We hope you all enjoyed it and are as proud as we are of the children. We also joined the rest of the school at Porth Beach for our wonderful trip and on Friday had a fantastic water fight for our 'Green Time' activity - everyone, including the adults were completely soaked! We sadly have to say goodbye to our two pupils heading for Brannel and we wish them an excellent start at secondary school! Next week, we are looking forward to our Plymouth trip and sleepover on Monday. We are singing songs from our production at a local care home on Tuesday and we have our leavers' events on Thursday. We hope you all have a great last week at Treverbyn!

Next week's virtue is..... **Optimistic**

Having or showing hope for the future; expecting good things to happen

Trailblazers News 13.07.18

This is the last newsletter for this academic year, so we would like to wish all nursery leavers the very best for September.

Next week weather permitting, we can have the paddling pool again, so please bring your children's swimming clothes so they can go in the paddling pool if they choose to.

Damselflies

This week Arlen has made it to the top of the "wow" board, well done Arlen!

Learning Journals

If your child is moving to reception class, you should be able to download their learning journals. If you are having trouble please let us know

September places

If you would like to add on extra nursery sessions for your child or you know of someone looking for a nursery place please enquire in the office. All children booked in for September should have received an invite to a "Meet & greet" session on 04.09.18.

Please can you return your reply slips?

30 hour funding

You can check to see if you are eligible to receive 30 hours funding for your child through,

childcarechoices.gov.uk

All children should come to nursery with named belongings, e.g. coat, shoes, socks, wellies, packed lunch box, drinks bottle, sun hat etc.

Please can I remind you to bring in nappies, wet wipes and it is always good to have plenty of changes of clothes. Can you also include socks please.

Finally, we hope you have a fantastic summer holiday and for those coming back to us we will hopefully see you for "meet & greet" on the 4th September then start of nursery will be 5th September.

Elaine Taylor

Nursery manager
