Class News

Menabilly Class

Next weeks focus story is Tiddler. This story will be looked at over the next two weeks. We will be thinking about the characteristics of the different sea creatures in the story and what makes them unique, this will include where in the world we would find them. The children will look at time, thinking about what we do on the different days of the week and beginning to read the clock for half past and o'clock.

Porthpean Class

Next week we will be moving onto multiplication in maths; learning how to count in equal groups. In Science we will be looking at shadows and understanding how they change throughout the day. It is Sasha's last week next Thursday so we will be having a small farewell party to say goodbye.

Pendower Class

We've had a really busy week in Year 2. We've loved making up our own mythical creatures and writing stories about adventures to capture them. Next week we will be revising our place value knowledge and will be using this to add and subtract 2 digit numbers.

Charlestown Class

In English we will be finding out about the life of Grace Darling and will start work on a newspaper report based on the rescue she was famous for. We will be exploring light and dark in science, linked with light-houses. We will also look into the history of the RNLI and have a visit from the RNLI. In maths we will be developing our understanding of perimeter and starting on our journey through the wonders of fractions!

Whipsiderry Class

In maths we will be revisiting measure. We will be applying our knowledge of decimals to measurements of length, mass and capacity.

In English and our topic work we will be continuing with our understanding of heroes and villains and investigating Viking gods and their mythology. We will also look at the countries vikings came from and invaded.

Science will include looking at habitats of living things and how we classify them.

Porthcurnow Class

Next week in Year 5 we will be continuing to look into the purpose and effect of advertising through a range of media. Children will be composing radio and television advertisements for their theme parks as well as their own advertising jingles in music.

In maths, we will be looking into how to round and order decimals to 2 and 3 decimal places. We will also be converting between fractions and decimals.

Please can all children remember to bring their complete P.E kits into school every day. We currently have P.E every Wednesday afternoon but will also be using opportunities to practice our creative dance ahead of our performance at Wheal Martyn in June.

In a few weeks, children will explore junk modelling some of their theme park and roller coaster ideas. Therefore if we could please have any donations for this purpose that would be appreciated. Particularly milk lids or similar for wheels, small boxes or tubs for carts, straws, cardboard etc for tracks and structures. Many thanks.

Next week's virtue is..... Trust

Assured reliance on the character, ability, strength, or truth of someone or something

Pentewan Class

This week, year 6 have continued their revision ahead of the upcoming National Curriculum tests. In maths, we have focussed on converting between mixed numbers and improper fractions and multiplying fractions by fractions, whole numbers and mixed numbers. In grammar, we have been looking closely at word classes with a particular focus on pronouns, prepositions and conjunctions. We have also enjoyed a very informative visit from adults and student ambassadors from Poltair school.

Parents Evening

Parents evenings this term will be on the 2nd and 3rd May. Appointments are available via eschools.

All meetings will take place in the hall and there will be an opportunity for you to look through some of your child's work.

School reports will be sent home to parents on Thursday 5th July.

4th July	Sports Day—2nd Date
5th July	Reports to Parents
20th July	Last day of term—School finishes at 1:30pm

Trailblazers News 27.04.18

If you have not yet brought in your child's birth certificate, please could you do so, thank you.

Damselflies The children have enjoyed the story and they have recalled the story very well. We have three children on our "Wow" board Esmae, Charlie & Leonie, well done everyone! Benjamin bear will be going home with Malakai, we hope Benjamin behaves well for you.

Request—If you have any junk modelling resources you could bring in we would be grateful.

Dragonflies The children have responded extremely well to the Hungry Caterpillar story and their recall has been exceptional! This weeks "stars of the week" are Scarlett, Hallie & Daisy, well done everyone! Rosie bear has gone home with Jack, we hope Rosie bear behaves well for you Jack!

Next week we are hopefully having a special visitor centred around People who help us.

We would like to thank all parents for uploading onto Tapestry, this week we are looking for observations in

Imaginative play.

Please can I remind you to bring in nappies, wet wipes and it is always good to have plenty of changes of clothes. Can you also include socks please?

All children should come to nursery with named belongings, e.g. coat, shoes, socks, wellies, packed lunch box, drinks bottle, sun hat etc.

Please can you supply your child with named sun cream, it will be returned at the end of Summer term. Also can you apply the sun cream before your child starts the day.

Elaine Taylor

Nursery manager
