Class News

Menabilly Class

Next week is all thing Eastery! Not forgetting our first school trip to see Peter Rabbit! The children will have the chance to make Easter gifts and cards for a person of their choice and complete many Easter crafts. We have our Easter Bonnet assembly so please remember you bonnets for Monday.

Porthpean Class

Next week we will be having lots of Easter fun. We will be going to the Church for the Easter service; singing the songs we have been practising. We will also be making some Easter crafts. A reminder that homework is due in next week and we also break up at 1:30pm on Thursday. Well done to the children for another very successful term.

Pendower Class

Next week will be all things Easter and Spring. We will be baking some spring cakes, making some Easter craft and completing some Easter themed maths. We are also looking forward to our trip to the Church and Easter Bonnet assembly.

Please can I remind all that homework is due in every Thursday:)

Thank you- have an eggstastic weekend!

Charlestown Class

Next week we will be creating and creating our newspaper reports about World Book Day. We will be learning about invertebrates and vertebrates, the human skeleton and our muscles in science. In maths we are revisiting the maths we have cover this term to impress ourselves and consolidate our understanding. Don't forget your Easter bonnets and buns on Monday.

Whipsiderry Class

Next week we will be rehearsing and then performing our Easter play to Year 3. We will also be creating some Easter poems. Co-ordinates is our new focus in maths combined with some map work. We are looking at teeth in science and finishing up our work on South Korea and the Winter Olympics.

Porthcurnow Class

Pentewan Class

This week, year 6 have begun writing our own balanced arguments. We have chosen an interesting range of topics and have enjoyed researching evidence to support both sides of the discussion in order to reach a conclusion. In maths, we have been revising our work on fractions. We have also been learning how to create topographic profiles using the contour lines on ordnance survey maps. Next week, we will be creating sculptures of Buddhist stupas using clay. Please see the kit list for camp that has been sent home today.

Changes to Wrap-Around Care

Following a review of the Wrap Around Care facilities at the school, we are reducing the hours for After School Club. After the Easter Holiday, the After School Club will finish at 5:30pm.

We recommend booking After School Club in advance, as we cannot always guarantee your child a space due to staff ratios.

Bookings can be made in person or via telephone, either in advance or before 11:00am each day.

Sports Relief

As a school (including year 5 with their massive combined total of 270 miles) we have ran 400 miles today and raised £94 for Sports Relief!

Well done everybody!

After School Clubs

Apart from the childcare facility, there will be no clubs after school next week.

Attendance

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	School
91.07%	94.00%	92.58%	87.00%	90.36%	90.77%	92.80%	91.23%

16th April First day of Summer Term

7th May Bank Holiday—school closed

28th May—1st June Half Term holiday

20th July Last day of term—School finishes at 1:30pm

Trailblazers News 23.03.18

Please can all parents ensure their child is collected on time as we have strict ratios to adhere to and late collection could result in an extra charge on your bill.

Damselflies This weeks “star of the week” is Amy, well done Amy! Next week we will be making things connected to Easter.

Dragonflies This weeks “stars of the week” are Scarlett and Isla, well done both of you! Rosie bear has gone home with Lilly, we hope Rosie bear behaves well for you Lilly! Next week we will be looking at all things connected to Easter and will be visiting the Church.

Healthy lunches

We have noticed that a few lunch boxes contain a large amount of unhealthy food. Please can you try to provide your child with some sort of sandwich/wrap (carbohydrate), fresh fruit/vegetables (vitamins/fibre). This website will give you more ideas <http://www.eatwell.gov.uk/>

At Treverbyn Academy there will be no facility to heat up food, so please start to think of ways to introduce your child to other foods that do not require heating up.

If anyone is interested in 30 hours funding for their child, they should apply now, log in to childcarechoices.gov.uk

Please can I remind you to bring in nappies, wet wipes and it is always good to have plenty of changes of clothes. Can you also include socks please?

All children should come to nursery with named belongings, e.g. coat, shoes, socks, wellies, packed lunch box, drinks bottle etc.

Please can any toys from home be taken back home so they do not get lost

Elaine Taylor

Nursery manager
