

12th July 2019

Treverbyn Academy Newsletter.

Menabilly Class

We have been exploring the concept of floating and sinking. We have been learning about things that float and sink and why this happens. We used tinfoil to make boats and after reading Mr Gumpy's Outing we decided to see how many animals we could fit into our boats before they sunk!

We have also been focusing on our transition into year 1. The children spent time in their new class getting to know Mrs Robins and Mrs Cameron, exploring their new surroundings and routines ready for September.

Porthpean Class

The children have enjoyed painting this week using the primary colours and also enjoyed spending some time in Year 2 on Wednesday.

With next week being our last full week in Year 1, we will be spending lots of time outside! We will also continue to prepare the children for Year 2 through transition activities.

Pendower Class

This week we have been working hard with solving problems involving 2 digit numbers. We have used all the skills we have learnt this year and amazed ourselves with the progress we have made! Next week we will be having lots of creative opportunities, including going out in search of natural objects to create art and making African masks.

Please remember to label all uniform so its doesn't get lost and remember hats and suncream to protect the children in the heat!

Charlestown Class

This week in year 3, we have been reading and analysing different forms of leaflets. We have looked at the different purposes of leaflets and started to draft ideas for creating our own. In maths we have continued to recap, revise and embed our calculation methods for solving the four operations.

On Thursday, year 6 paired up with us to walk up onto Carloggas Downs. What a magnificent morning we all had! The children were so enthusiastic and enjoyed sketching the Cornish landscape and exploring their surroundings. Next week we will be designing and decorating our own t-shirts in DT as well as using clay to create fish from the sketches we did at the beginning of term.

Please can any outstanding library books now be returned to school. We also have a growing box of unnamed lost property in class. Please check through the box when you can, especially if you are missing a jumper.

Whipsiderry Class

The final full week of the academic year is here and the children are still all impressing me with their hard work, dedication and positive attitude towards all lessons. Next week is looking set to be a lovely week in year 4. We are planning on doing a range of activities with the children including cooking, arts and crafts and guitar playing.

Porthcurnow Class

It has been lovely to have all of Year 5 back in the classroom this week. They had an amazing time in London and have been full of tales of the fun they had and interesting things they learned. A big thank you to the children for behaving themselves so beautifully out and about in our capital city and also to the fantastic staff who took them. The class has been busy writing recounts of their London trip this week, giving me lots of details about their trip. In maths we have been looking at coordinates and translation. Next week we will be thinking about reflection with the first quadrant and doing lots of outside maths. We are going to have a go at making macrame owl bookmarks next week, these are to be entries in the Summer Fair at the Hall for All later in July.

Pentewan Class

This week, Year 6 enjoyed a wonderful walk across Caerloggas Downs to sketch the scenery. The views were incredible and it was great to take in the local landmarks. Some of the pupils suggested that it would be a very calming place for them to visit and reflect in the future. The children also received their SATs results and we are so proud of each and every one of you for your hardwork this year! Please don't hesitate to speak to Mr Freckelton if you would like to discuss the results or your child's report. The new Year 6 pupils also enjoyed a taste of what life will be like next year on our transition morning and our current year 6 pupils wrote some superb letters offering them really useful advice for the year ahead. Next week, we will be visiting Lowenva care home to share our retelling of a Greek myth and then making our final preparations ahead of the big event on Thursday evening! I hope all of the pupils thoroughly enjoy their last full week at Treverbyn

The Cove

It was our last swimming session this week, all the children in The Cove gained lots of water confidence. We made catapults in Forest Schools and we have been focussing on our calm place and where that is, the children painted pictures of theirs.

New Lunchtime Play Equipment

What a vibrant sea of playground activity we have experienced this week with the introduction of new playground play equipment. It has been lovely to see so many children playing together. However a few issues regarding care and respect for the equipment have come to light with a number of breakages. Please can you support the school in talking to your children about how we look after the equipment. So that as many children as possible can continue to play together. Thank you very much.

Behaviour outside of school

It has come to our attention that there have been a number of incidents of inappropriate behaviour by our children after school has finished. This has caused issues in school that we have had to deal with as well as concerns raised by the general public. Can I therefore ask that as responsible parents you fully aware of your child's whereabouts and actions. Thank you in anticipation of your support.

Attendance

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	School
95.5%	98.7%	96.3%	97.7%	97.1%	97.4%	98.7%	97%

Whoop Whoop! All classes have GOOD attendance this week!

Thank you, lets keep this going for the next 7 days!

Dates for your diary:

4th September	INSET day
5th September	INSET day
6th September	First Day of Autumn Term
21st–25th October	October Half Term
20th December	Last day of Autumn Term, school finishes at 1:30pm
6th January 2020	First day of Spring Term
14th February	INSET day
17th-21st February	February Half Term
27th March	Last day of Spring Term, school finishes at 1:30pm
14th April	First day of Summer Term
4th May	Bank Holiday—School closed
25th-29th May	May Half Term
21st July	Last day of Summer Term, school finishes at 1:30pm

Trailblazers News 12.07.19

Dear parents,

I am very pleased to inform you that Lorraine is now our new Deputy Manager here at Trailblazers and we all wish her well in her new role.

Dragonflies

The children who are moving to reception, will have their Tapestry learning journal shared with reception this week. You can collect any items that your child no longer needs at nursery this week too!

All the children have truly loved having “beach week”, we were lucky with the weather!

Graduation

Our graduation afternoon on Friday 19th July will begin at 1.30pm and we hope to have it on the field, but, in case of poor weather we will have it indoors. If held indoors we can only have two adults per child. Fingers crossed for good weather!!

Please note: Our last day of term will be 23rd July and we finish at 1.30pm.

All children should come to nursery with named belongings, e.g. coat, closed toe shoes, socks, wellies, packed lunch box, drinks bottle, sun hat etc.

Please can I remind you to bring in nappies, wet wipes and it is always good to have plenty of changes of clothes.

Please can you provide sun cream for your child for nursery also if you could apply sun cream before nursery we would appreciate it.

Elaine Taylor

Nursery manager
