There are a few new events in the making for 2019.

Also some changes are being implemented, as you may have seen on the Up-comings events section there will be a Spooky disco, this is a great opportunity to spook your socks off. We hope to see you all there. We've listened to your queries and have suggested that the music for the KS1 disco will be age appropriate- It will now consist of more party 'action' music and less pop, we hope this will accommodate you all.

We also would like to take this opportunity to say thank you to the FoTA and the staff along with Parents/Guardians, without you, events would not happen.

Keep an eye out for more information about the up-coming events nearer the time.

Please note that Event Dates are subject to change, please keep an eye out for posters around the school nearer the event.

HELP NEEDED

Can you spare half an hour once every couple of months?

All of the events listed on the left need parents/carers to come forward, in advance to help.

DONATIONS

Will be hugely appreciated again for the events; could you spare any unwanted, washed Soft toys for the Christmas Tombola or any unwanted new gifts for the raffle? Any other donations are hugely welcomed.
