Class News

Menabilly Class

Reception class had a surprise visitor this week so our bear hunt has changed to a dinosaur hunt! We have been very busy learning about the sounds g, o, p, i and n In read, write inc. we have also been thinking about how we can label groups of objects and sort them in different ways.

Porthpean Class

Year 1 have enjoyed learning the story of The Three Bears this week. We have used actions to help us retell the story. Next week we will be changing some of the story to create our own version. In maths we have been using symbols to show greater than and less than and will continue with this by ordering numbers.

Pendower Class

This week we have been looking at the main events from The Great Fire of London. We were able to talk about why the fire may have started and what we may have felt like if we were in the fire!

Next week we will be researching the famous Samuel

Pepys. We will be writing our own diary entries and thinking about things we could keep if there was a fire.

Charlestown Class

Year 3 have been using animations to use inverted commas when writing speech in text. This week we are focusing on writing instructions as a Roman Gladiator. In numeracy we will be continuing on our focus of place value and manipulating numbers before going on to adding and subtracting.

Whipsiderry Class

Next week year 4 will be continuing to look at place value in maths, with a focus on problem solving. In English, we will be looking at story writing and beginning to write our own stories. Please remember that swimming is on Wednesday so all children need swimming kit on that day and PE is on Friday so PE kit will be needed then

Porthcurnow Class

Next week Year 5 will be continuing their work on place value in maths, we will be comparing and ordering numbers, rounding within 1,000,000 and negative numbers. In literacy we will be continuing with our creative writing topic with the children writing their own stories about a heroic act. In our topic work we will be looking closer at the reliability of historical sources and in science we will be exploring space and our solar system further.

Next week's virtue is.....

Cooperation

A situation in which people work together to do something

Pentewan Class

This week, year 6 have completed their biographies of I K Brunel and have offered peer feedback and critique before word processing them to form part of our exhibition. In maths, we were exploring BODMAS (the order of operations) and using inverse operations. In science, we continued our look at inherited features and began exploring Darwin's theory of 'natural selection' and how different animals have adapted to their environments. Some children also had the exciting opportunity to spend the day at Penrice as part of their transition to secondary school! Next week, we will be moving on to look at balanced arguments in English and working with decimals in maths.

Parents Evening

Parents evening this term will take place on the 6th & 7th November and will follow the same format as last year, taking place in the school hall. There will also be

an opportunity to look at some of your child's work.

From 1st October you will be able to make these bookings online via eschools. If you have any questions, or need your log-in information again, please contact the office.

Harvest Festival

The whole school will be celebrating our harvest festival on Thursday 6th October, any donations of tinned or dried food will be given to St Austell Food Bank.
