

Mount Hawke Academy

Head of School: Miss C Biddick

Friday 26^h June 2020

Dear Parents

What an amazingly sporty week we've all enjoyed! It has been wonderful that so many of you have taken part in the different activities as part of the Virtual School Games, and thank you so much for uploading the points. The results are released tonight, so we will let you know how we've done, but the best thing about it all has been hearing about and seeing the enjoyment that the children have gained from it. We must say a huge thank you to Cornwall Sports Partnership and Exeter University for organising such a super week in such a virtual way.

We continue to love seeing the activity in Tapestry (EYFS), Seesaw (KS1) and Google Classroom (KS2) and thank you to those of you who have shared photos and information of home learning by emailing hello@mounthawke.org too. Do remember that we are making regular phone calls to families but if you feel that you need to talk to someone in between, please don't hesitate to email or phone us. We still do not know what September will look like, but as soon as the Government issues guidance we will make our plans and let you know.

Home Learning

The next two weeks of Home Learning Packs have been posted on our website for those of you who are using them. We will continue to upload work to Tapestry (EYFS), Seesaw (KS1) and Google Classroom (KS2) and teachers will respond to **any** work uploaded to these. The themes for the next two weeks are Music and Space. Mrs Ali and Mrs Martin will be uploading a musical quiz each day on our school Facebook page, so do watch and post your answers!

FSM and Coronavirus

Many families are sadly reaching crisis point financially due to Covid-19. If your circumstances have changed you may be entitled to Free School Meals. The Government have now confirmed this scheme will run throughout the school summer holidays. Please follow the link and complete the online form: [Free School Meal Application](#)

Reading Challenge

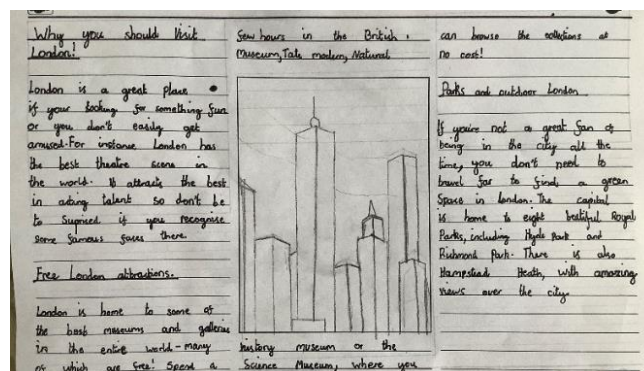

The Summer Reading Challenge has now been launched. It is being run online this year, so do register and get reading!

Reports

We have started sending home each child's annual report. Please don't worry if you hear that someone has received one and you haven't yet – the office will be sending them out electronically and you will receive one by Monday 20th July at the latest. These will look different this year. The Government have removed the requirements to report on attendance or achievements, so we have reformatted them to include information on what the class accomplished up until COVID 19 and then the more personal information about your child. Once you have received your child's report, you are welcome to contact your child's teacher via the office, to discuss it with them.

Best wishes from everyone at Mount Hawke Academy
