

Mount Hawke Academy Plan for Making Best Use of the Catch-Up Premium

Following the enforced interruption to schools earlier this year, due to the Covid 19 pandemic, the Government pledged extra funding to help children catch up where they may have fallen behind. Below is an overview of how we will be using this funding.

1 Teaching

- Ensuring quality first teaching remains a priority with experienced teachers in every class
- Development of children's metacognitive strategies
- Purchase of resources to further develop speech & language
- Additional provision of phonics resources and reading books

2 Targeted academic support

- Rapid phonic interventions
- Rapid maths interventions
- Small group teaching for identified children in reading, writing, maths following identification of need

3 Wider strategies

- Further TiS training for all staff
- Additional and specific Trauma Informed Schools (TIS) sessions for identified children
- Parent workshops linked to Family Hubs when available again
