

Mount Hawke Academy

Head of School: Miss C Biddick

Friday 19th June 2020

Dear Parents

Here we are at the end of another week. Yet again, we would like to say a big well done to all the children for completing so much work at home or in school. The activity in Tapestry (EYFS), Seesaw (KS1) and Google Classroom (KS2) has been great to see and thank you to those of you who have shared photos and information of home learning by emailing hello@mounthawke.org too. We love to share your achievements. We also know that it is ever so hard to keep everyone going and spin all the plates of working and home schooling. We are making regular phone calls to families but if you feel that you need to talk to someone in between, please don't hesitate to email or phone us. We are sorry that we have not been able to welcome any more children back into school at the moment, but our current pods are full. We are reviewing this all the time. Also, we still do not know what September will look like, but as soon as the Government issues guidance we will make our plans and let you know. We have set our Training Days for next year, based on the current term dates and these are attached. Again, if anything changes we will let you know as soon as possible.

FSM and Coronavirus

Many families are sadly reaching crisis point financially due to Covid-19. If your circumstances have changed you may be entitled to Free School Meals. The Government have now confirmed this scheme will run throughout the school summer holidays. Please follow the link and complete the online form: [Free School Meal Application](#)

Reading Challenge

The Summer Reading Challenge has now been launched. It is being run online this year, so do register and get reading!

Reports

We will be sending home each child's annual report over the next few weeks. Please don't worry if you hear that someone has received one and you haven't yet – the office will be sending them out electronically and you will receive one by Monday 20th July at the latest. These will look different this year. The Government have removed the requirements to report on attendance or achievements, so we have reformatted them to include information on what the class accomplished up until COVID 19 and then the more personal information about your child. Once you have received your child's report, you are welcome to contact your child's teacher via the office, to discuss it with them.

Cornwall Virtual School Games

We are very excited to be taking part in this unique event. Please do take part in as many challenges as possible and enter your scores. More information is available in your eclassroom or on the homepage of our website and attached with this newsletter. Do also send us photos of what you are doing! Good luck!

Best wishes from everyone at Mount Hawke Academy
