Parent Consultations

These are being held next week. Thank you for signing up via Arbor. Your child's teacher will phone you on the number we hold for you in school and will talk with you about how your child has settled in and their progress in their learning so far. We will need to stick to the ten minute timings, so if, at the end of the conversation, you feel that you need more than the ten minutes, please let the teacher know or email hello@mounthawke.org and the teacher will phone you again at another time.

Term Dates

We have the following Training Days for the rest of this school year when the school will be closed to children:

- Friday 23rd October 2020
- Monday 4th January 2021
- Friday 12th February 2021
- Friday 28th May 2021
- Friday 23rd July 2021

Donations

Thank you so much to everyone who has donated toy cars, books and other equipment. After quarantine, these will all be put to very good use with our children.

Focus on Mental Health, Physical Fitness and Stamina

As part of our school ethos, we put great value on the health of the whole person, working hard to ensure that we are open to talking about and valuing mental and physical health in our children and adults. As part of this, each week we will include an attachment with our newsletter, giving suggestions for a fun activity to take part in at home. We hope that you enjoy them – and we would be delighted if you would email in photos of you taking part so we can share them!

Reading Teachers=Reading Pupils

We are delighted that Miss Jouvenat has been accepted onto this project run by The Writers' Block, Cheltenham Festival and other organisations.

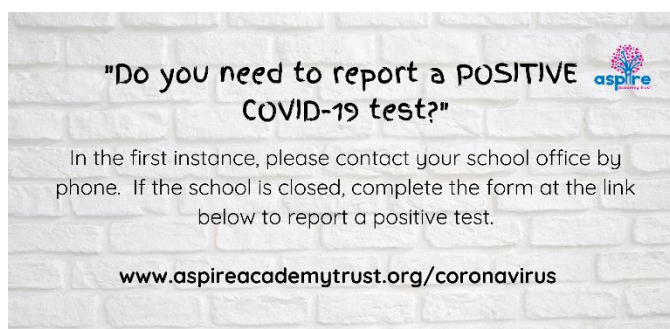

Through the year, Miss Jouvenat will take part in training that she will share back in school, helping us to further develop the love of reading in our school. The project aims to inspire reading for pleasure because research shows that children who read for pleasure experience high levels of well-being, engage in learning and are successful in life.

What to do if a COVID test comes back positive?

If the test comes back positive during school hours, please phone us straight away.

If the test comes back positive out of school hours, please access the form below

Communications

Remember to use the email hello@mounthawke.org or phone 01209 890230 if you need to speak to one of us or let us know about something. Even though we can't have a conversation at the classroom door or in the playground, we are still available. Miss Biddick is usually on the gate every morning and afternoon too.

We have certainly made the most of the sunshine over the last few days and we are delighted that it looks set to be sunny over the weekend too. We hope that you have a lovely Saturday and Sunday and we look forward to seeing you all next week.

Virtual local pub quiz to raise funds for FOMHS

Every team who plays online is invited to donate to a cause via the Facebook quiz page and FOMHS will be the recipient for this quiz. The quiz is parish wide and raises money for local causes. Join the quiz on the night here [St Agnes Hotel Quiz](#).

Exciting News - Oh yes it is!

FOMHS have managed to book a remote pantomime for the children to be shown in school at Christmas! Jack and the Beanstalk is produced and performed by Peter Duncan (from Blue Peter) and cast and is promoted by London Theatres. The pantomime will be shown in school virtually and to any children off school at home. We are asking for a suggested donation of £2 per child to FOMHS to cover the cost. The option to pay the £2 will be added to ParentPay soon, so do look out and make your donation. Thank you!
