Dear Families

It has been so very welcome to see the sunshine again – it is feeling like summer at last. We are so pleased that we have managed to complete all the Sports Days, except Lower Key Stage Two, and theirs will be held on Monday morning. Carne, Gwithian and Lamorna, please come in wearing your PE kits when you return on Monday. It will be wonderful to have Gwithian and Lamorna back with us again, and we must say a big thank you and well done to you all for the great work you have been posting in Google Classroom.

## A Heartfelt Thank You

This will be the last newsletter of the year. It has been another school year that we couldn't have predicted, but the way that our community has rallied around again has been incredible. The resilience that our children have shown to all that has happened has been remarkable, and that is thanks to the strong and supportive family and community bonds that they are so fortunate to be growing up with. The kindness and understanding that our children show is notable, and the pride that they take in all that they do means that they are building such secure foundations for the future.

Next week will see a range of emotions. There will be excitement about moving on and new adventures to face, tinged with some sadness about leaving the familiar. We have some very important goodbyes to say. The first is to our Year Six children. Watching a group of children grow and develop from Reception through to Year Six is a privilege and Class Six have been super role models for the rest of the school. Their focus and determination has not wavered – they are a class that work hard and play hard, and they have made bonds that will last for life.

We must also say goodbye and thank you to Mrs Miller and Mrs Medcalf. Both have been great assets to our school and we are very excited for their next steps; both are staying within Aspire but are training to be teachers. You may also have noticed that Miss McLoughlin has been missing for a while. We are delighted to let you know that she has had a baby girl – Pearl. Congratulations! Mr Hill will also be leaving us for the year as he develops the EdTech Demonstrator role across Aspire and across the country.

## Celebrations

We held our final Friday Virtual Assembly of this school year today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life, getting together in Teams helps us feel so connected.

## Transition to New Classes and Year Six Leavers Assembly

On Tuesday morning, we hope that the children will be able to spend some time in their new classrooms, meeting their teachers and finding out about their topics for September. We are also delighted to invite Year Six parents into school for the Leavers Assembly on the last day of term. This is for Year Six families only and will be held outside if possible and in the hall if it's wet. We will open the side gate (or front door if wet) at 9.00, ready for a 9.15 start.
