### YEAR 6 HAVE A VICTORIAN MORNING

On Tuesday morning Year 6 took a step back in time when they experienced lessons as Victorian school children. They wrote with chalk and boards and they played with hoops in the playground. Those who made a misdemeanour stood in the corner with the dreaded dunce hat on. The atmosphere was strict and obedience was demanded! Thank you to all the children and their parents and carers who took such time with their costumes. Such fun!

## E-SAFETY UPDATE

You will have noticed an increasing amount of press coverage both locally and nationally on internet safety and surrounding issues. It's an important area to be aware of and being well-informed can help parents & carers with choices for their children as they grow older. We would like to recommend the NSPCC's Online Safety information, which includes a section called Net Aware for specific guidance on particular online products. <https://is.gd/pJDEXC>  
The following guide also has detailed information about internet safety at different age ranges and a jargon buster: <https://is.gd/6MhYgD>

Our next Bags2School collection will be on Wednesday 27<sup>th</sup> February. This is a wonderful way of having a clear-out at home during the February half-term AND raise lots of money for Mount Hawke Academy! Please note Bags2School do not accept bedding, towels or curtains.

Bag2School base their collection around weight and not quality, so please send all your old clothes. Feel free to use black bags if you have more than one bag full.

**We shall look forward to seeing all of your Bag2School bags after the half-term break.**

We hope you enjoy having a good spring clean and thank you for your continued support!

Have a wonderful half-term and we shall look forward to seeing you all back at school on Monday 25th February.

## MOUSEHOLE CLASS LEARN ABOUT PEOPLE WHO HELP US

As part of their 'People who help us' topic work, Mousehole class have had the opportunity to ask questions to people who have roles that help and support their communities.

Thank you to Anna, Samuel's mummy, who came in to speak to Mousehole Class about her job as a Doctor at A&E, and about her role as the flying doctor. The children had lots of questions and were very excited to learn more.

Thank you also to PC Cummins who came in recently to speak to the class about his role in the Police. The children explored all the different items of equipment that PC Cummins uses and even got to sound the siren in his Police van.
