PARENTS CONSULTATIONS

We are in the throes of introducing a new data management system to many schools across Aspire, called ARBOR. When this is in place in the summer term, we will be able to run parent consultations appointments through it, as well as sending e-mails to parents and text messages. In the meantime, for the parent consultations at the end of March, we will be returning to **booking appointments via appointment sheets that will be displayed in the office/reception area on Monday afternoon**. Please pop in next week and make an appointment to see your child's teacher. We will leave out some appointment reminder slips, so please do make a note of your chosen appointment and take the slip home with you.

ATTENDANCE

It is so important for children to attend school regularly, both for academic and social reasons. We understand that there are times when children are poorly and do seem to go through a run of illnesses. Also, there are 175 days of school holiday a year - nearly half a year! We do understand that there are times when it is impossible to take holidays in holiday time, but these requests can only be authorised in exceptional circumstances. Missing school has a real impact on children's learning and friendships and it can then take them time to settle back into a school routine. Obviously, 100% attendance is wonderful, but anything at 96% and above gives our children the best chance of success. Our whole school attendance is currently at 96%. We will be sharing children's attendance records with you at Parent Consultation Evenings, and this will give you a chance to talk with the teachers about this.

PARENT ONLINE SAFETY WORKSHOP

Mr Hill will be hosting an online safety workshop for parents and carers on Monday 18th March from 9am – 9:30am. Please do come along if you'd like to learn more.

WORLD BOOK DAY

It was World Book Day on Thursday. Thank you to all of the children who made such beautiful models to share with everyone at school.

Attendance	Learning Missed Over a Year	Success
100%	0 weeks missed	Best chance of success!
