GODREVVY, LONGSHIPS & PENDEEN CLASS VISIT PENDENNIS CASTLE

On Wednesday Years 1 and 2 went to Pendennis Castle. They all had a wonderful day; it didn't rain, and the sun shone brightly! Thank you to all the teachers who went along and a special thank you to all the parents who helped on the day.

PARENT CONSULTATIONS

We are in the throes of introducing a new data management system to many schools across Aspire, called ARBOR. When this is in place in the summer term, we will be able to run parent consultations appointments through it, as well as sending e-mails to parents and text messages. In the meantime, for the parent consultations at the end of March, we will be returning to **booking appointments via appointment sheets that are currently displayed in the office/reception area.** Please pop in and make an appointment to see your child's teacher. We will leave out some appointment reminder slips, so please do make a note of your chosen appointment and take the slip home with you.

MONITORING VISIT

Last week, we were visited by Heads of School from other Aspire Academies, our Strategic Partner for Aspire and our Hub Councillors. During the visit, lessons were observed, children's work was looked at and School Council were quizzed. The outcome was extremely positive and we are delighted with the comments that were made. Through the rest of this year we are continuing our focus on improving spelling and continuing to develop our maths provision, especially concentrating on multiplication facts. We have also been invited by Aspire to be part of a working party on developing effective feedback and marking, and look forward to working with other Aspire academies on this.

PARENT ONLINE SAFETY WORKSHOP

Mr Hill will be hosting an online safety workshop for parents and carers on Monday 18th March from 9am – 9:30am. Please do come along if you'd like to learn more.

PARKING

We are all very aware that drop offs and pick up times are very busy around our school and the village and we do not want to have an accident.

How we can all help:

- Park away from the school and walk the last bit. It is a great way to start and end the day.
- Scoot, walk or cycle to school.
- Keep Rodda's Road as a walking zone.
- Make use of the school buses.
- Use the drop off zone - a member of staff is on duty in the morning to help your child find their way into school quickly. This is not a parking area.
- **Do not park on the school site.** If you do have permission to park, please do not attempt to drive out while we are putting children on the buses.
- Take part in The Big Pedal, from 25th March to 5th April - more details to follow
