TERM TIME ABSENCES

We understand that it can be very difficult to book holidays during school holiday time and we have tried to be flexible and understanding. However, with the Supreme Court ruling last year, we have had to look at the issue again. At Mount Hawke Academy, we believe that regular attendance is of vital importance to the child. It helps build confidence, maintain friendships and ensures that the children do not miss out on their education. We cannot ordinarily authorise requests for 'Leave of Absence' – holidays. We do understand that it can be cheaper or more convenient to book a holiday in school time, but an absence can have such an impact on learning. Where absences are authorised they will be for:

- Exceptional circumstances - something that is unlikely to occur again during the pupil's school career.
- A maximum of 10 days only.
- Where a request has been made in good time with full explanations and supporting information. Please understand that there is no entitlement for 'Leave of Absence'. There are 175 days in the year where holiday and other potential leave arrangements can be made, so please make sure that before booking holidays you have checked our term dates.

Thank you for your support and understanding in this important matter.
