ADVENTURE PLAYGROUND APPEAL

Thanks to our recent Lottery Funding Grant and the very generous donation from Lockley Civils LTD, our appeal is off to a fabulous start. There has been some exciting meetings between the school council who have been instrumental in telling both FOMHS and the school staff exactly what the children would like in their new playground and coming up with some fabulous ideas about how as a school we can raise the money needed to achieve it.

This is where we need your help!!.....

Do you work for a company or run a business that would be willing to make a donation to our fund no matter how big or small?

Could you commit any time to help the children with their fundraising?

Can you come up with any unique fundraising suggestions?

If you can answer yes to any of these then please, please let Jo Marsh have your details and I will contact you back.

We have a fabulous school community and by working together I am sure we can raise the money needed to get the children a wonderful new adventure playground.

Thank you

Carrie Ingram

Thank you to all parents who have made their final payments, which were due on 30th April. Could we please ask that all remaining payments are made as soon as possible.

HEALTHY SNACKS

After half term, we will not be running a tuck shop in school anymore. We would encourage children to bring in healthy snacks from home, following our policy of only allowing fruit or veg at playtime. Snacks could include:

apples, mango, peppers, raisins, carrots, tomatoes, strawberries and blueberries...

Children may also bring in a water bottle to keep in their classroom.

Key Stage One pupils are part of the Fruit for School Scheme, and will still be provided with fruit free of charge.

We also remind children that we **do not** share snacks at school, this is due to our awareness of children with specific food allergies.

THREAD WORM

We have had one case of thread worm reported in the school. Please be vigilant at home and perhaps remind your children to wash their hand after visiting the bathroom.

MASTERY IN MATHS

Our Support Staff spent time after school last week finding out more about Mastery in Maths and how to apply Mastery in teaching. Shelley Beckerleg and Jack Walker from Aspire led the session, which was very interesting.

MHA GIG SUCCESS AT THE IOS WORLD PILOT GIG CHAMPIONSHIPS!

Congratulations to both Mrs Martin and Mr Marks who both competed at the IOS World Pilot Gig Championships, with tremendous results all round! Mrs Martin took part as part of the RAF team. It was an absolute success for the ladies as they moved up 2 groups throughout the weekend, finishing with an overall win of Group I and in the top 100!

Meanwhile Mr Marks captained a charity crew comprising a scratch crew of rowers from Bristol and Cornwall. The crew raised **£4253** for Children's Hospice Southwest Little Harbour and came 65th in their borrowed boat! A fabulous contribution from two members of our staff.
