Government advice for parents/guardians

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

What action you should take

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus.

Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.

Please advise the school immediately if you become aware of your child having been in contact with someone who has been diagnosed with Coronavirus.

If you have any questions or concerns, please do not hesitate to get in touch with us.

We have attached a copy of the latest advice sent to schools.

Thank you for your continued support,

Lucy Wandless
