Teach a child how they should live and they will remember it all their life. Proverbs 22:6

Google Classroom

From now on we will not be loading work onto Showbie; as a Trust we have adopted **Google Classroom** as an online platform. All of your child's work will be uploaded onto Google Classroom. Eventually this will enable us to teach/chat to the children remotely but in the meantime it is an easy way for us to upload and share work with the children. Hopefully once you and your child have logged on and used it a few times it will become straight forward. They are able to upload pictures of work and click to say they have completed their work. We are able to comment on the piece of work and give feedback and next steps. On Google Classroom, the "Stream" page is a place where the children can "chat" to each other and the adults in the class- it is important that the children know that everyone can see what is posted and that they must only post things that they would be happy sharing/saying in school. The stream is a good opportunity for the children to be social with each other and even play word games. If they wish to post a comment that only the adults in the class can see then there is a place for this in each assignment area. If you have any problems please let us know.

Pictures from our Google Meet reading below.

Poldhu Class

Thank you to Taigan for sharing his home learning with us. He has been working hard reading and has scored full marks on his Map 7 Quiz on Reading Eggs. Well done Taigan you should feel delighted.

Well done to Saskia who has been showing us her home learning on Showbie. She has scored full marks in her last two spelling tests and has been busy using her maths skills during baking tasks at home.

Spellings: Well done to Nella for getting 4/5 on her first spelling test in school and for all children in Poldhu class for fantastic effort with their spellings this week.

Polurrian Class

Well done to Adah, Aedan, Corin, James, Katie, Liam and Lissa for being IXL stars in the past seven days!! Keep up the good work.

Catherine of Aragon Born: 16 th December 1485 married: 1 st June 1509 died: 7 th January 1536	Anne Boleyn Born: 15 th December 1501 married: 25 th January 1533 died: 19 th May 1536
Jane Seymour Born: 1508 married: 30 th May 1536 died: 16 th 24 th October 1537	Anne of Cleves Born: 1515 married: 6 th January 1540 Divorced: 7 th July 1547 died: 8 th July 1557
Catherine Howard Born: 1523 married: 29 th July 1540 died: 13 th February 1542	Catherine Parr Born: 1512 married: 12 th July 1547 died: 5 th September 1548

Liam has been creating a fact file about the wives of Henry VIII.

James has been practising the column addition method; he used the expanded method when the questions got tricky!

Diary Dates

July 22nd - July 23rd - INSET Day

24th July - 2nd September - Summer Holidays 3rd September - Return to school

This week's Stars of the Week...

Well another week where the children of Cury have not made our decision easy. So many children have been busy uploading learning to Google Classroom/Tapestry and sharing their work. We have been truly impressed- please keep it up.

Poldhu Stars of the Week-

Lyla-May is star home learner this week.

Lyla has uploaded a selection of the maths work this week onto Showbie including learning about odd and even number, making a graph and finding missing numbers. She has also showed us a lovely piece of creative work making a delicate button bead doll key ring. Best of all was her lovely voice note saying hello to us. Thank you for keeping in touch this week.

You should be a PRIDEASAURUS

Carly for an improved effort with her spellings this week and for being kind and thoughtful towards her friends.

Polurrian Stars of the Week-

Polurrian School Learner – Lissa. She has taken to Google Classroom like a duck to water! Uploading pictures of work and completing lots of set tasks. She has joined class discussions, replied to next steps and worked hard on IXL. A fantastic Ithinkasaur and Exploreosaur.

School Learner Star – Katie for 10/10 for spelling test, moved to 66 Club and has worked hard on all tasks this week. Amazing. Diplofocus and Have-a-go-odon.
