Wednesday 30th June

Dear Parents

Update on Consultation:

Thank you for your responses to the Consultation. The Board met to consider the consultation responses on 29th June. They have decided that the proposal will progress to the Headteacher Board on 6th July. An update will be provided after that meeting.

We will plan visits to Mullion Primary for the children in KS2 so that they are able to be more familiar with the school. We will share details of this in due course.

Kind regards

Mrs. Sarah French

Head of School
