Cury School Forum:

Thank you for those who joined us for our first Forum. It proved to be a very successful meeting. Our stakeholders discussed 3 questions and had lots of really good ideas which will be shared with our Local Governing Body. We will aim to meet termly.

Here is a summary of some of the responses:

What do we do that you want us to do more of?	What do we do that you don't understand or would like us to change?	What would you like to see happen in the school in the future?

Mrs Newberry's Operation

Your child has probably informed you that I'm going to be out of action for few weeks as I'm about to have surgery on my foot and will be unable to drive. I am however, still contactable via email and I can call you if needed.

In my absence, Mrs Turner is covering my class and Mrs Bowden & Mrs Bosustow will be the point of contact if you have any queries or concerns. Hopefully, I will be back in a few weeks, if I follow the Dr's advice!

Lisa Newberry.

Forms

A couple of weeks ago we sent home several forms, including a data collection sheet and parental consent forms. If you haven't yet returned yours could you please check, & if necessary change, your details on the data collection sheet, complete the other forms and return them to school.

Don't worry if you can't find them, we can give you some more, but we do need forms completed for each child.

Bible Explorer will take place during the week beginning 5th November.

Jan Ives will be working with Years 5 & 6 throughout the week.

PE Kits

Please ensure that all items in PE kits are named & in school at all times.
