25th February 2021

Dear Parents/Guardians

As we approach the 8th March and the full return of our children, I'm sure your houses are filled with a mix of excitement and a little anxiety.

Please rest assured that we have planned for and continue to evaluate all our practises to ensure the safety of all at school. The children will continue to wash their hands frequently, will be sat in rows and wherever possible will not be sharing equipment. Staff will continue frequent cleaning of tables, chairs and touch points and have the option to wear face shields. During the day, due to our small size, we do operate as one bubble but we try wherever possible to keep children separate.

Hopefully, we will now be blessed with fine weather so we will be able to utilise our fantastic grounds for outside play and learning.

The morning drop off, from 8:40am will be through the side gate where the children can once again take part in the Daily Dash.

At the end of the day, parents will be let onto the playground to stand on socially distanced spots to collect their child/ren at 3:15pm. We ask that you and your child/ren remain in your area until you are directed to leave by a member of staff. You will then be free to go straight home- adhering to all Covid restrictions. We would fully expect to see some parents wearing masks if they feel appropriate to do so.

I would like to take this opportunity to thank all of the staff at Cury C of E School for their tremendous work during this unprecedented time of blended learning, children working at home and school- their dedication and energy has had such a positive impact on our children.

Thank you, also, to you; the support you have given to your child and the school has been hugely beneficial to the ongoing progress and happiness of your child.

If you should have any questions or concerns regarding the return to school on the 8th March then please do contact me.

Very best wishes

Sarah French

Head of School
