### Message from Mrs Wandless

Dear Parents and Carers,

I hope you are all still keeping safe and well.

We hope that you enjoyed our school video. We miss all of our school family and wanted to keep in touch with you all in a fun way.

Please remember to continue to share learning. We really enjoy finding out what the children have been doing and we have been impressed with the work that has been shared with us. This week I have really liked seeing the wonderful artwork the children have created for the Village Hall.

You are all doing an amazing job! We always look forward to seeing what you will send us next!

By Liam

Liam has been working like a Trojan at home! He has had made Mrs French smile with his regular update of his home learning- even sending videos explaining his work.

Mrs French would like to say- Thank you for all working so hard at home. I really love receiving your work and updates about what you have been doing on Showbie. Pictures of nature walks, videos of songs and photos of Art and Design projects really do brighten my day. Please keep smiling and see how many "Larnosaurus" you can be next week...
