*Teach a child how they should live and they will remember it all their life. Proverbs 22:6*

[www.curyschool.co.uk](http://www.curyschool.co.uk)

Dear Parents and Carers,

I hope you are all keeping safe and well.

This week it has been lovely to welcome back some more of our children and their families.

There have been further announcements in the media about how schools will return in September. At the moment, we are waiting on the formal DFE guidelines. I know I have said this before, but we continue to work closely with the Trust and will adhere to the DFE guidelines once they are confirmed, and communicate with parents/carers as soon as the picture is clearer.

Once again, thank you for your patience. I look forward to the time when we can welcome all of our children and families back to school. However, in the meantime, please continue to stay safe and take care.

Thinking of you all,

Lucy Wandless

### **A little note to parents**

Please could we ask parents when collecting their child at the end of the day to wait until directed to leave with their child to avoid any congestion. Thank you for your cooperation.

### **Goodbye and thank you.**

It has been a pleasure for me to be part of your Cury School community.

Keep going with all your lovely family learning which really makes a difference, have lots of conversations, tell stories, play games, make each other smile, read lots of books together and enjoy every day at your wonderful school.

Take care, Helen Hesselbo

### **School Reports**

School Reports will be sent out on Monday. Parents of children currently learning at home will be able to collect them from Monday at 1pm.

## Google Classroom/Meet

There are still a number of parents who have not responded to permission slip about using Google Meet. Both classes are planning a Google Meet between home and school learners on Monday and would love all children to be involved. It will be a fantastic opportunity for the children to share experiences and catch up with their peers and teaching/support staff and it would be a great shame if they could not all participate. If you are happy for your child to take part, please just respond to the email saying that you give consent- this will be enough in the first instance. If you have any questions please email your child's teacher or call the school office.

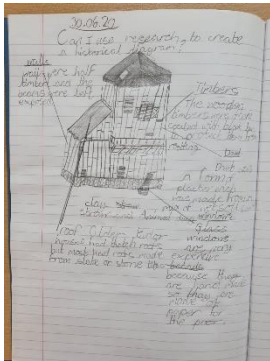

## Poldhu Class

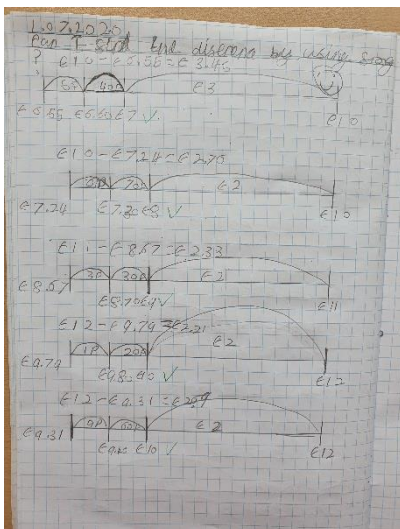

Spellings:

Well done to Saskia and Lyla for getting full marks in their spelling test this week.

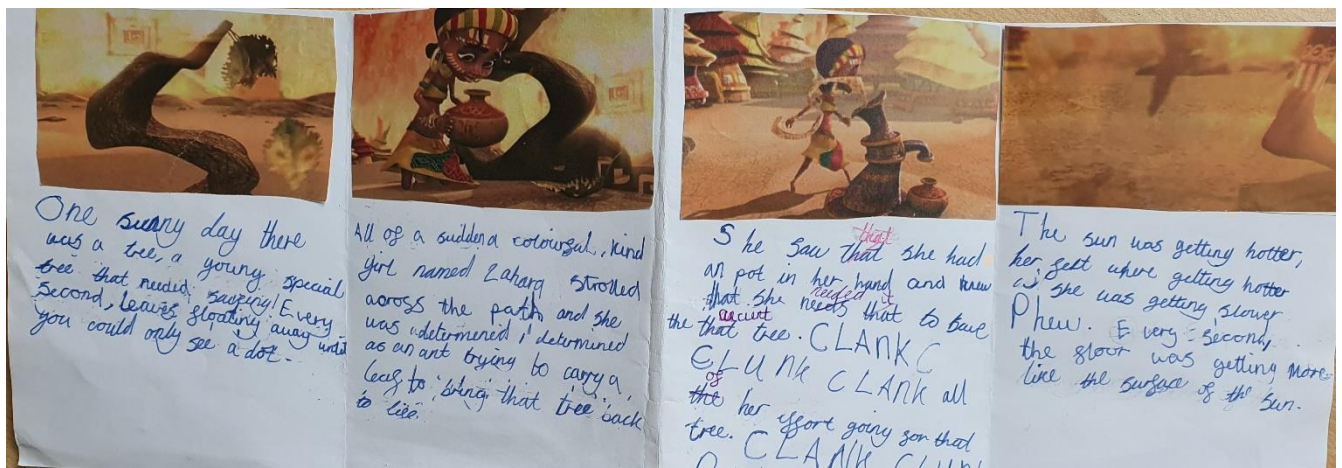

## Polurrian Class

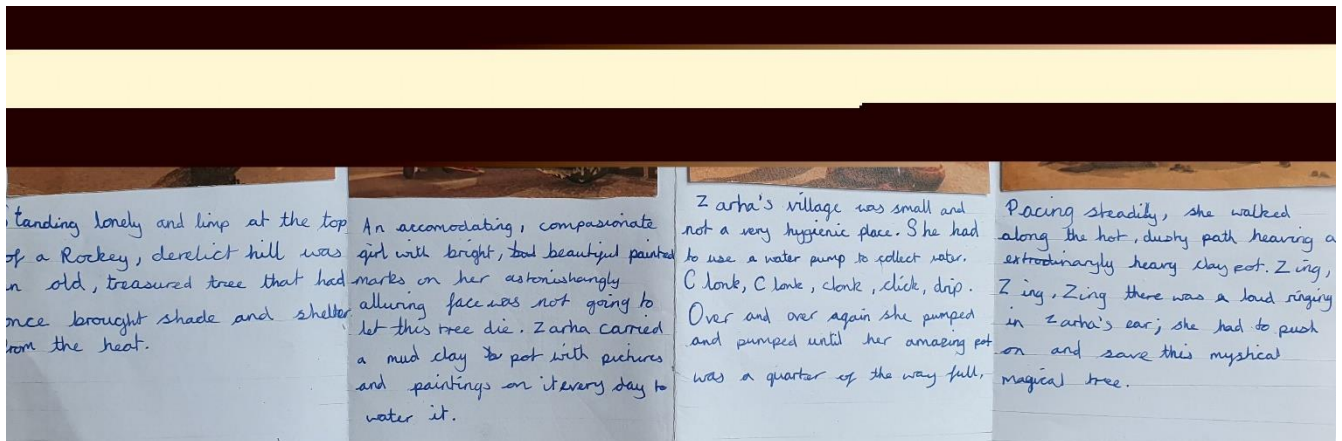

Tudor House by Liam

Maths by Poppy

Katie has made a great start to her story about a girl from Africa called Zahara.

Monday 7<sup>th</sup> September – Return to school

4th January 2021 – INSET day

July 22nd 2021 – INSET day

July 23rd 2021 – INSET day

### This week's Stars of the Week...

#### Poldhu Stars of the Week-

For Saskia for fantastic effort with all her work this week and for settling in well with the new routines in school. Well done Saskia, you are a Have-a-go-odon- you are always willing to have a go at all your work.

For Taigan for amazing efforts with home learning and completing all the activities which I have set and for engaging with Google Classroom. Well done Taigan, you are a Prideasaur- you should be very proud of what you have achieved this week.

**Polurrian Star of the Week-**

James for coming back to school fully focused, ready to learn and full of enthusiasm and smiles. He has been putting 100% into all learning and showing fantastic research skills. A real Exploreosaur, Diplofocus and Ithinkasaur- what a great way to come back to school!
