Coats Please !

Please ensure that children wear warm clothes and bring a coat to school every day as they will be outside at playtimes unless it is very wet.

Reading

We would be grateful if you could ensure your child reads regularly at home (we advise at least 5 times a week) and that they bring in a signed reading diary to show this. Thank you.

Under Construction

KS1 are very excited to explore their new topic 'Under Construction.' We will be learning the story of the Three Little Pigs by heart and writing our own version. The children can't wait to experiment with different materials to design and build a house for a little pig whilst thinking about the properties of materials. Through our topic we will look at similarities and differences of homes in our local area and across the world. Their first homework will be to know what kind of house they live in and think about how its similar or different to a house in another country e.g. Kenya
