20th March 2020

Dear Parents,

With the school having to close today I would like to thank you all for your patience and understanding over the last couple of weeks. Your support and kindness to the team at Cury during this very challenging time has meant a great deal to us.

As explained in a letter yesterday we will continue to provide learning over the coming weeks. We will keep in contact with you through email, text and by posting on the school website/Facebook.

The children have been an absolute credit to you. They have taken on all the adaptations to their usual routines so well. They have asked questions, shared their worries, but also continued to focus on their learning and amaze us with their progress. We are so proud of them.

Please take care of yourself and your families. Although we may not be together as a school community for the foreseeable future I will be thinking about you all and will endeavour to offer support where possible, even if this is only remotely.

Lucy
