Great work, well done everyone.

Reception & KS1 Swimming

Swimming will commence this Friday 10th September 2020. For this next half term it will be Reception and KS1 that will go swimming each week then after February half term it will be Years 3 and 4 that will go swimming every Friday. They will be leaving school after lunch. Please could you ensure that your child has all their swimming kit in school on the relevant weeks that they are swimming. A voluntary contribution of £3 per child per week. Thank you.

School Library

Just a reminder that the School library is open every day until 4.00 p.m. to choose a book for you to share at home.

Children Arriving Late

We are having an increasing number of children arriving late for school in the mornings. This is very disruptive for other pupils who are trying to learn and are disturbed by children arriving late. Please ensure your child is in the school playground for 8.50 a.m. If your child is going to be late, please make sure you come into the school office with them and sign the late book.

Let's start January 2020 off with no late arrivals. Thank you for your cooperation.

Wake & Shake Wednesdays

Please don't forget that Wake & Shake Wednesdays will be starting again next week. Look forward to seeing you all there.

Census Day Menu

16th January is Census Day and there is a special menu as follows:

Bacon / Pork / Quorn Sausage

Scrambled egg

Hash browns

Grilled tomatoes and baked beans

Pancakes with forest fruit and syrup.

The number of meals taken on this day will affect future funding for the school, so if possible, please do try to encourage your child to have a school dinner on this day.

Thank you!

Reading Challenge 2020 for Polurrian

We have set ourselves a challenge of reading 70 books before the end of the summer term. To make a visual representation of our progress in our classroom we are going to represent each book read with a link in a paper chain. If we have at least 70 links in our paper chain by the end of the Summer Term we earn a treat. To make it more fun, we have a different colour link for each group of learners in our class. The winning colour also gets another prize - the adults in the room are included too !
