Wednesday 7th July 2021

Dear Parents

The RSC Headteacher Board has approved the change to an Infant Only setting for September.

For KS 2 children who are going to Mullion Primary in September, we will liaise with admissions on your behalf and keep you informed regarding transport if required. For all KS2 children moving schools, we will organise new uniform for your child. The children in Key Stage 2 who are transferring to Mullion Primary will be having a transition session there on the 20th July.

For those staying in the KS1 class, we are really pleased that the current teachers, Mrs Bowden and Miss Gardner will be with them to see them through this change.

As promised we will be working with the council and Derek Thomas to try to address the housing issue and work to build the school population again. Please do support us in this and do all you can to promote and support the school.

Kind regards

Sarah French
